With 5,000 Car Total For Season**

Frank C. Anderson, Belle Glade city manager, is named "acting city manager by the Belle Glade commission effective July 1. The council moved further to advertise suitable media and accept applications for the manager post.

The commissioners did not stipulate whether Anderson would receive a pay boost, nor did they set a beginning salary for the new city manager when hired.

In a separate action Anderson was named city treasurer replacing Robinson.

The city authorized the city manager, city clerk and attorney to negotiate for a sewage treatment-plant and master lift station site.

A resolution in form only was adopted declaring B. A. Roemer Construction Co. successful bidder on the plans and stations subject to Public Health Service approval of the system. Action on the award of the contract was withheld.

At the request of a delegation of merchants, the council agreed to print "bait" or misleading types of sales promotion campaigns.

The clerk announced that the qualification period for candidates in the Sept. 9 city election was July 11 - Aug. 20.

PRESIDENT P. D. Seyler signs end-of-the-season reports to members of Pioneer Growers Cooperative while Executive Vice President McCabe looks on.

"Despite the weather reverses, we are ending our season with an approximate 15% increase in tonnage over last season," says P. D. Seyler, President of the Pioneer Growers Cooperative. Executive Vice President E. A. McCabe says, "Our total tonnage this season is approximately 5,000 carload equivalents for a total sales volume of \$5,000,000."

At its June 12 meeting the board of directors voted to pay all patrons 6% on investments, for the eighth consecutive year, and to resolve capital funds for a grand total of interest and capital funds of \$278,846.50.

Some twenty varieties of Glades vegetables accounted for approximately 2,000,000 packages which found homes in practically each of our United States and all provinces of Canada.

"At the end of March the cooperative was 25% behind in tonnage for a like period of '57, but the month of May found us with not enough hours to properly take care of the harvest."

**South Bay Postpones Meeting On
Water Treatment Plant Proceedings**

City of South Bay officials have postponed a meeting originally set for tonight at the city hall to discuss the problems of obtaining a water treatment plant.

Long a planned project, South Bay continues to sidestep the issue. Recently State Board of Health officials warned that, if a long-term water treatment plant was not built, the city would be closed under water pollution laws.

Beach City and Lake Harbor residents appear more receptive to the South Bay water plan, according to City Clerk Dorothy Mott, who said several letters from residents in South Bay would be closed under water pollution laws.

The city's engineers, Smith & Gillespie, Jacksonville, have not formed an estimate of the treatment plant, storage tank and distribution line cost; however, the clerk said the engineers were certain that the cost would exceed a 1955 estimate which was approximately \$150,000.

According to recent legislation, Beach City and Lake Harbor (Continued on Page Eight)

Hundreds Take Part In Summer Recreation Program

The municipal park is a scene of many activities with about 367 children enrolled in the summer program sponsored by the county and city of Belle Glade, and according to Vice Marquess, one of the directors, more than 400 are expected to register this week.

Beginning at 8 a. m. and closing at 5 p. m. with a wide range of sports, and arts and crafts makes for a busy day for the directors.

Coach Marquess begins the day with junior boys and girls in tennis and at 9 o'clock take the day's activities. During the morning at 10 each day, the boys are climbing for all groups, mostly younger ones, boxing for all groups is at 11 to 12. In the afternoon at 1 p. m. the girls are followed by touch ball at 2 o'clock, field events at 3, softball at 4 for all age groups.

Coach Ouellette, director, who has been working with the summer program for several years, is in charge of swimming and gymnastics. During the morning at the swimming pool he gives swimming instruction, and in the afternoon at 1 o'clock, Basketball 2; wrestling 3 and weight lifting 4 to 5 p. m.

Mrs. Genevieve Gove, also a director, is teaching arts and crafts. Each Thursday afternoon from 6 to 8 o'clock and 40 minutes and juniors enrolled, she keeps busy.

All groups in the afternoon visit the library at 2 p. m. where they have music, and dramatics and on Mondays movies are shown. Each Thursday afternoon at 2 o'clock there is square dancing and folk dancing in the Recreation Room.

A pet show will be the special event coming up on Friday and ribbons will be awarded for the largest, smallest, best trained, cutest, most unusual and best dressed.

South Bay

South Bay's summer program under Charles Godwin and Mrs. Lucille Rudder has 133 enrolled in the second week of the program. Mr. Godwin states that there will be a hike and nature study tour for all age groups.

John Abbott, who is at Lake Harbor School, assists in the afternoon at South Bay and in charge of the children in grades 1-4 on Monday and Wednesday afternoons, transporting them to the Belle Glade Pool. Tuesday and Thursday Mr. Godwin has the age group from the 5th grade on up in swimming. On

**Lake Discharges
Stopped June 17**

Colonel Paul D. Troxler, District Engineer, Jacksonville District announced last week that discharges from Lake Okechobee into the Caloosahatchee River and St. Lucie Canal ceased June 17. Discharge through outlets has been made continuously since early in January.

Engineer A. R. Broadbent said that the lake level this week is 13.1 after last week's 12.98 feet, and that further discharges would be necessary unless heavy summer rain swell the lake anytime soon. He must hold the lake at 13.0 at the height of the rainy season.

Members of the Florida cattlemen's association flood control committee heard June 18 that the Jacksonville District is being made of the feasibility of an outlet through the Glades from the south side of the lake.

Commenting on that statement, Broadbent said the outlet would not be made through an existing channel going south, but he had no additional information.

SB Council Meeting

South Bay councilmen met Monday night for a short session. The tabled the appointment of a successor for Boarding Inspector I. P. Roberts who passed away, and instructed Ben Austin to repair certain patches of streets and the railroad crossing on US 27.

The directors are being assisted by Mr. and Mrs. Tom Connolly, volunteers from the Christian Migrant Workers and Miss Marian Le Pisto assistant county home demonstration agent who is helping with the home-making.

A varied program is being offered, including activities of football, baseball, touch football, volleyball, badminton, tennis, ping pong, swimming, arts and crafts, home-making, movies, square dancing, and boxing.

Mr. Thornton has organized a baseball team and plans to play teams of other centers. The special event is planned for each week. The special event on Friday at 4 p. m. will be a pet show. Prizes will be given. All children having pets of any kind may enter.

The older children are urged to attend to assist the younger ones in their arts and crafts work. All kinds of sports and games as well as table games are available.

Oscola Center

The Oscola Center Summer recreation program, sponsored by the Palm Beach County Board of Instruction is well under way, according to Luke Jones, in charge of the program. Enrollment to date is 130 with an average attendance of 90.

The directors are being assisted by Mr. and Mrs. Tom Connolly, volunteers from the Christian Migrant Workers and Miss Marian Le Pisto assistant county home demonstration agent who is helping with the home-making.

**Livestock Prices
Steady To Higher**

Prices ranged steady to higher on slaughter and stocker cattle at the Monday sale at Glades Livestock Market where 896 cattle returned \$95,163.72 with 58% of the 343 steers, 91 heifers, 213 calves, 207 cows and 42 bulls going to slaughter.

The weekly market bulletin shows slaughter steers, heifers, cows and calves were steady compared to a week ago while bull prices were \$1 higher.

Stocker steers and cow prices were steady while heifers were steady to 50 cents higher, calves strong to \$1.50 higher and bulls were strong to \$1 higher.

**City Men Heads
Post 20 Auxiliary**

Mrs. J. B. (Sylvia) Jones was elected president of Everglades Auxiliary Post 20 Auxiliary Monday night to top the class of chosen officers for 1958.

Auxiliary officers will be installed at a joint installation banquet at the legion hall July 1.

Mrs. Jones served as president of the post in 1947-48. Her first WWI veteran's wife to hold the office at Post 20.

Other officers chosen were: Mrs. Mary M. Martin, first vice president, Mrs. Colleen Martin, second vice, Mrs. Edith Kirkman, secretary, Mrs. Selma Harrison, treasurer, Mrs. Vivian Arnette, chaplain, Mrs. Marion Larick, historian, Mrs. Evelyn Rhymes, sergeant-at-arms, Mrs. M. K. Klinkhoffer, assistant sg-t-at-arms.

Executive committee members selected are Mrs. Anna Clayton, Mrs. Mary Martin, Mrs. M. M. Martin, Mrs. Venera McCarthy. Guests at the election were Mrs. Leroy Tanner, ninth district police president, and Mrs. Winnie Wellman, incoming department membership chairman.

**Negro Recreation Hall
Being Built For \$10,000**

City forces have begun the \$10,000 Negro recreation building immediately in front of Lake Shore Swimming pool and Building Inspector W. L. Cunningham estimated that the cost of work would be required to finish the 36 by 60 foot building.

The CBS structure has been awaiting the go-ahead by the city after it was tagged in the city's budget. At present the building will be one large room with a concession stand with a hired operator Cunningham said.

**Water Treatment Plant Complete
Should Be In Operation By July 1**

City Water Superintendent Clarence Throop reported this week that the new water department equipment would underwrite a 10-day test for leaks and faults before it is put into operation about July 1.

Began last November, the \$302,237 project completion will mean more water and a consistent high quality of water for the city, Throop said. Local contractors included B. A. Roemer Construction Co. and Crichfield Electric, South Bay.

The three largest visible additions include a 750,000 gallon clear well or reservoir, 81 by 90 feet; flocculation basin 60 by 26 feet with eight mixers; and 105 by 82 feet settling basin.

The water will enter the plant through the intake lines and mix for three hours then enter the settling basin for a 21-hour wait while the chemical reactions take place. Water will then enter the 30 part per million to 20-25 ppm. Throop said.

The treated water is pumped by a 2,500 gallon per minute pump, also a new addition, to the large reservoir before being piped into the distribution system.

Among the advantages of the new system will be the fact that the equipment will get an eight-hour rest and only operate 16 hours each day. The old system operates constantly.

A two-hour breakdown with the old equipment would exhaust the city's water supply since about a million and one-half gallons are used daily.

Throop said the change over would bring about a taste change to the water, which he said, definitely was not harmful. Above all, and most important to many, it will not effect the taste of the coffee.

About 15-20 days of landscape and drain pipe work is all that remains to the project.

**Coffee Hour
Guests Hear Of
Hospital Needs**

"We need the trust and help of everyone in the community," Belle Glade Memorial Hospital Superintendent Floyd Miller told an audience at last Thursday's coffee hour as Mrs. Vivian Arnette, chaplain, Mrs. Marion Larick, historian, Mrs. Evelyn Rhymes, sergeant-at-arms, Mrs. M. K. Klinkhoffer, assistant sg-t-at-arms.

Executive committee members selected are Mrs. Anna Clayton, Mrs. Mary Martin, Mrs. M. M. Martin, Mrs. Venera McCarthy. Guests at the election were Mrs. Leroy Tanner, ninth district police president, and Mrs. Winnie Wellman, incoming department membership chairman.

**Group Manager
Named By Reddy**

Zeke O'Farrell was named Group Manager for Southern Belle Telephone Company in the Belle Glade - Pahokee area by Ed Reddy, District Manager.

O'Farrell will come to Belle Glade from Orlando where he has spent the last 11 years with the telephone company, he was unit manager in charge of the program in his last position.

A native of Baxley, Ga., O'Farrell attended Georgia State University and is a member of the University of North Carolina prior to joining the telephone company.

O'Farrell has been active in civic organizations at Jacksonville and Orlando and is a member of the First Baptist Church, Mrs. O'Farrell and sons, Gray 16, and Colon, 12, will join O'Farrell shortly in Belle Glade.

Adult Swimming Classes

Adult swimming classes are held each Thursday night 7:30 to 9:30, according to pool director Hector Ouellette. The pool will also be open for private parties 8-10 p. m. Friday and Saturday.

Call pool for reservations. Ouellette asks. Instruction classes are separate from the recreation program classes.

**South Bay Lions
Install Officers**

South Bay Lions installed their new officers Thursday night in a ceremony at the South Bay Lions Club. Officers installed were: Charles Godwin, president, Henry Elfers, first vice, C. E. Crichfield, second vice, Ray Sullivan, Tail Twister, Rev. L. C. Woolridge, Lion Tamer, E. M. Willis, secretary-treasurer.

Boaty members are George King, Clayton Waters, J. C. Bowen and Mark Challenor. Ladies of the Lions served a baked ham dinner.

**Police Nab Boy
For Robberies**

A 14-year-old negro boy has been apprehended by Belle Glade police and will be charged with breaking into at least three establishments here.

After police investigated entries at Poole's Grocery on SW 5th and Griffin's cafe, the youth was stopped by police on an unrelated matter and found stolen articles in his possession which were taken from the entered place.

**Modified Sewer Plan Calls
For \$100,000 More Bonds**

Belle Glade City Commissioners have ordered the validation of \$100,000 more in sewer revenue bonds and agreed on numerous modifications in bid prices and specifications in order to keep the sewer system project alive. The action was taken at a special meeting Monday evening.

B. A. Roemer remained low bidder on the treatment plant and lift stations; however, he pushed the panic button by telling the city that his bids were good only until July 1.

There will be no increase in the basic rate structures already adopted by the council. The extra bid service money will come from other municipal revenues already in existence.

Roemer's plan bid is now \$237,632; lift stations \$89,256. Marbough Construction Co., Ft. Lauderdale, bid adjustment was \$257,183.60 on the force mains and laterals.

Through the elimination of a force main from 2nd St. to 8th St. on South Canal St. (W), the elimination of a pump in the main lift station at NW 14th St. and Ave. D, use of Florida aggregate rock, variations of certain pipe and numerous other specifications and adjustments, the total sewer system bids totaling \$747,835.65.

The government grant will reduce that figure by some \$109,000 to \$637,835.65. This figure includes \$152,000 fiscal, engineering, land acquisition and interest costs.

The city is left to find \$57,183.65, the difference above the bond issue, which they claim will be relatively simple through the sale of bonds.

Now that the immediate monetary hurdles are behind, the council must go on to obtain a plan to visit Everglades National Park, and the awarding of contracts.

Meanwhile the fiscal agent and engineering firm have started the project through state and federal channels for approval.

**Post 20 Legionnaires
Will Install July 1**

Ninth District American Legion officials and other visitors from throughout the south Florida area will visit Everglades American Legion Post 20 July 1 to install newly-elected Legion and Auxiliary officers of the post, according to Commander W. H. McCarthy.

National executive committee members Billy Anderson, Coral Gables, and southern area commander Sid Selsom, Miami Beach will be among the guests. McCarthy urged that all post members be present to extend Glades hospitality to the installation guests.

**Police Nab Boy

A 14-year-old negro boy has been apprehended by Belle Glade police and will be charged with breaking into at least three establishments here.

After police investigated entries at Poole's Grocery on SW 5th and Griffin's cafe, the youth was stopped by police on an unrelated matter and found stolen articles in his possession which were taken from the entered place.

Lieutenant V. R. Clark said Monday that there was reason to believe the boy was responsible for all of the robberies in the area.

This point was verified late Monday night. The youth also admitted entering the Polar Bear on SW 4th St. earlier in the year.

Lt. Clark said the boy had been seen at a restaurant room. When the owner discovered this, the boy fled. Police stopped the boy later. A search of his pockets revealed a watch, gun, camera and food items.

There was reason to believe the youth is a runaway from the county children's home, Clark said.

Assisting in the investigation were Sgt. Mathis and officers Foiden and St. Cross.

**South Bay Legion
Installs Officers**

American Legion Post 161 and its auxiliary at South Bay held its installation banquet June 18 at the legion hall. H. H. Walker, commander, and James Spradley, auxiliary president topped the slates installed by 9th district officers.

Mr. and Mrs. Leroy Tanner, chairman and chairmaness, were accompanied by various officers and guests from the district.

Installed with Walker were Mrs. Eric Harlow, first vice president, Mrs. R. O. Plank, finance officer, R. C. Allen, chaplain, Eric Hart, historian, Charles Allen, sergeant-at-arms, Marvin Davis, assistant sg-t-at-arms.

The byline above really should be "Calamity Close" for my family has decided to go on an extended camping trip and I don't take to waking to roughing it. My strictly a home gal - I'm used to running errands. But we all have wanted

to travel and see the good old U. S. A. of course in view of the high cost of travel it seems this is the answer. So, Mother Nature, look out - here we come. Our families have camped out quite a lot on weekends so are somewhat accustomed to the rigors of the outdoors. However, we all feel we have had interesting surprises in store in the days ahead.

We first talked about going West, but it seemed like quite a long trip for us since we had never done any travel camping as a family. Another thing California would be completely new and unfamiliar place to us since we've never been there before. Not to speak of all the space in between here and the west coast, especially Texas where there seems to be plenty of space to get in and out of.

Tommy Close Initiated Into Order of The Arrow

The Order of the Arrow is an honorary society of work-
 ing Boy Scouts; membership in-
 dicates recognition of outstand-
 ing accomplishments by a
 Scout's own troop and "camp-
 ing" by active members of the
 Order at a campfire.

The Scout must spend this
 first night alone in the woods,
 followed by a full day of hard
 manual labor, with no talking
 to anyone allowed. Enough wa-
 ter is permitted to sustain him,
 along with a bit of dry bread for
 encouragement.

The reports of his fellow
 scouts that he practices the
 principals of Scoutcraft and is
 proficient in its skills, is further
 indicated by this ordeal as the
 teaching that cheerful serv-
 ice is essential to a happy
 camping experience.

Tommy Close, a Life Scout,
 was tapped last Wednesday
 night at the Gulfstream encamp-
 ment and joins Michael Berry-
 hill, Darryl Wood, Carl Norris
 and former Scoutmaster, Tom-
 my Lanier as local members of
 the Order of the Arrow.

Ramblers Play Three Gulf League Contests

The Belle Glade Ramblers
 will play three Gulf Stream
 League games in a row this
 weekend after their rain-out
 against Taylor Motors Saturday
 kept them idle.

Friday night they play the
 Fort Pierce Chicks there fol-
 lowed by Saturday and Sun-
 day games with Taylor Motors
 and Hinson Contractors.

Manager Perry Rigdon said
 the Ramblers will leave Fri-
 day afternoon at 5:30 from the
 Little League baseball field and
 report Saturday and Sunday to
 the playing field at 2 p.m.

MIKE AL HARRIS

With
 AL HARRIS
 WSWN Program Director

The following are a few of
 the questions and answers en-
 countered in selling time to a
 country and western music sta-
 tion.

Question: How large is the
 audience which prefers country
 and western music?

Answer: In the phonograph
 record industry, 40% of all sales
 are country and western tunes.
 This would indicate that four
 out of ten prefer and spend mo-
 ney for country and western mu-
 sic.

Question: How large is the
 your station. How do I know
 anyone else does?

Answer: Every single WSWN
 advertiser is a capable business
 man. Our business would not
 have grown so rapidly in the
 past few years if these adver-
 tisers had not grown in numbers.

Question: How do you know
 how many listeners your station
 reaches?

Answer: Mail pull, survey
 studies and response to the ad-
 vertisers' products and services
 reveals the answer. There's
 nearly two million people liv-
 ing in our coverage area. WSWN
 doesn't have to divide its cov-
 erage with the 20 or 30 popular
 music stations in the same cov-
 erage.

Question: How about TV?
 Doesn't everybody watch it?

Answer: Not to the exclusion
 of all radio stations. If this were
 true, then thousands of experi-
 enced advertisers would be
 throwing their money away
 through other media. Due to the
 high costs of TV production, the
 clients are limited. TV maga-
 zines, radio and newspapers are
 all effective advertising medi-
 ums; however, radio is one of
 the most economical ways to
 tell your sales story to the vast
 potential buying public.

If you have any questions
 about radio advertising, please
 call us for the answer. Adver-
 tising doesn't cost . . . it pays!

Casualty Close

(Continued from Page One)
 We probably would. So rather
 than taking a chance and going
 into the unknown we decided
 to travel a more familiar route
 and go up the east coast.

We have our tentative route
 mapped out and our first stop is
 a camp in Georgia providing all
 goes well the first night.

From there we will proceed to
 a camp near Washington, D. C.
 After having seen Williamsburg,
 I have read the first night,
 the restoration that's been done
 there and think it will be an in-
 teresting place to see.

In Washington, D. C. we hope
 to see many interesting places
 such as the White House, U. S.
 Supreme Court, Bureau of En-
 graving (I wonder if they give
 out samples), The FBI, Smith-
 sonian Institute (the U. S. Treas-
 ury, the National Archives, the
 Memorial, and many other places
 of historical value. We have
 written to our Congressman and
 hope to have an opportunity to
 get to the house and listen to
 our government "in action."

The next stop will be in New
 Jersey just across the Hudson
 river from New York City. Our
 parents have been promising
 Tommy and me a trip to the city
 for quite awhile. All I re-
 member about it on previous
 trips is the Empire State Build-
 ing, Statue of Liberty, and all
 the tall buildings. One thing I
 recall impressed me a lot that
 time was the many television
 antennas on the homes, since there
 were none at all down here.

Our longest stay will be near
 New York City, about ten days,
 and then we will travel leisurely
 through the New England
 states. There are many camping
 areas in this section of the
 country and we plan to take
 our time and see as much as we
 can. After going through the
 New England states we will go
 into Canada, see Niagara Falls,
 the Great Lakes, and many
 other sights.

Here our plans will depend
 on the time we have left and
 the condition of our bank ac-
 count. We may have to hitch
 hike back. We

Tenth Anniversary of Transistor Observed By Bell Laboratories

SMALL BUT POWERFUL describes the tiny transistor seen here alongside a Lincoln penny. The transistor, which is used for a multitude of things in electronic equipment, passes the ten year mark of existence this year.

The 10th anniversary of the transistor, the tiny device which has ushered in a new electronic age, will be observed June 30, according to E. F. Reddy, Southern Bell District Manager at West Palm Beach.

In its ten years of existence, one of the most important services rendered by the transistor took place this year when they were used in the "Explorer" and

"Vanguard" satellite transmitters relaying to earth the data sought by scientists, Reddy said.

The transistor was invented by the Bell Laboratories of the Bell Telephone System to replace the larger vacuum tubes widely used by Southern Bell and the rest of the nation's electronics industry, Reddy pointed out.

The transistor, smaller than

pencil eraser, amplified signals a hundred thousand times, using a small fraction of the power of the electron tube.

In addition to playing an important part in telephone development, the transistor has brought about a variety of miniature equipment such as radios and hearing aids as well as being widely used in military missile control.

The transistor is used in some telephone equipment, mostly in long distance circuits, data processing and other specialized operations. The Bell System expects to be the world's largest single user of transistor electronics, requiring about 20 million transistors or related devices each year, Reddy said.

NEGRO NEWS

Deerfield Cards Stop BG At 15th

The first loss of the season came to the Belle Glade Cardinals, also called cardinals, stopped the Belle Glade winning streak at 14 last Sunday, on a two-hitter by Willie West, 3-1.

Deerfield started the loss after he relieved starter Alfonso Walker after two frames when the big right-hander used a developed a sore arm. Davis bowed to Ben McCoy two innings later. Before leaving, Walker got two singles which became the only Belle Glade hits.

The Cards face Okeechobee's Indians here Sunday at 2 p. m. Manager Davis said he thinks the team will get back on the winning side of the ledger after their first jolt of the season.

Okeechobee Center Program Rolling

Okeechobee Center opened the summer program with a bang Monday, June 16 with D. S. Bywood and Mrs. E. W. Powell supervising. Registration Monday was 97 and 125 before the end of the first week.

After registration and grouping of the children, activities such as softball, basketball, ping pong, volleyball, art and crafts, dancing, singing and quiet games were begun.

The center plans such events as swimming and picnic trips and platter parties. Reverend and Mrs. William Brooks have been more than helpful with their assistance, gifts and general support to the program, Bywood said.

Mr. Smith and his assistant, directors of the summer recreation program visited June 18 and were most helpful with suggestions.

Okeechobee Center played Lake Shore in the first softball game June 19 with Lake Shore winning 8-5 in the senior game and 6-3 in the midget competition.

Okeechobee players were: Edmond Hall, as, Oscar Robinson, catcher, Lemar Holloway, pitcher, Johnny Moore, 1b, Willie Evans, left, Willie Parrish, 2b, John Barber, right, Johnny Weaver, center, Eddie Moore, 3b.

Pitcher Walker Might Make AAA Ball Club Soon

Alfonso Walker, six-foot-five-inch right-hander with the Belle Glade Cardinals semi-pro baseball team, may be headed for the professional ranks soon. He's been scouted with approving eyes by major league clubs.

Walker, a Lake Shore High School graduate, is 21 and throws a good fast ball. He's racked up seven wins and no losses this season with a 3.00 ERA and has batted a .300.

He stirred some interest at the high school tryouts at Daytona earlier this spring among scouts for Cleveland and Detroit. Last Friday he talked with manager Kirby Farrell of the Miami Marlins who referred him to Clay Bryant, Montreal Royals skipper. Bryant watched the 180-pounder work and told him to return to Miami when the Royals visit July 21-23.

Walker says he wants to play ball professionally. Ollie Davis, East Lake School athletic director at Pahokee, and Ben McCoy, LHS coach, both think he has good possibilities.

Son of Eddie and Minnie Walker, 541 SW 5th St., Walker has been playing ball since he was 12. He played infield positions as well as mound work in high school where he batted around .300 and struck out 30 batters in two seven-inning games once.

With the Cards he fans an average of ten or twelve per game. He's pounded out several extra-base clouds and has six home runs to his credit so far.

drove in Vereen and L. Thomas who both got free passes. Augustus Thompson pitched a no-hitter for the Junior Tigers.

The junior team whipped the Cards 8-5 and 8-3. Marion Sherrod won both. Hadley, Jackson and J. T. McCoy led the hitting.

Enrollment Now 123 At East Lake School Says Director Ollie Davis

The summer enrichment program got on the way last week at the East Lake School. As of Monday the enrollment is 123, the largest enrollment in the history of the program.

The program is designed for all of the children in the surrounding communities. Some of the activities in the program are as follows: Ping pong, volleyball, basketball, arts and crafts, card games, horse shoe, social and square dancing.

Each Wednesday afternoon the children are carried to Belle Glade for a splash party at the swimming pool, one of the highlights of the program. Another of the features is a football competition with other recreation centers in this area. East Lake played Okeechobee Center Monday. The midgets lost 6-0. The juniors won 6-3. South Bay will play East Lake at Pahokee today.

The program is under the supervision of Ollie Davis and E. M. Tucker. All parents are urged to send their children to the center every day. The parents are welcome to the center at any time.

Calendar Of Events Set By Lake Shore

Activities announced by "The Beam" at Lake Shore High School for the summer recreation program are:

June 26 Softball Bryant here, June 30 Game Night at cafeteria, July 1 Softball Bryant here, July 3 Softball Bryant here, July 7 Softball Bryant here, July 8 Softball Pahokee

Salute to FLORIDA COUNTIES

CHARLOTTE COUNTY
County Seat,
Punta Gorda

Charlotte County has one of the longest coastlines in the state, stretching one of the South's finest harbors, for which the County is named. Agriculture is a prime source of revenue with over half the total acreage of the county being devoted to truck farming. A unique pier at Punta Gorda, a mile stretch of former highway bridge reaching out into Charlotte Harbor's deepest water, affords prize sport fishing for both tourists and residents.

In progressive Charlotte County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.

Thinking of "Income" for your wife and children?

Look into Gulf Life's **ADAPT-A-PLAN**

...fits your changing family protection needs

Now with Adapt-A-Plan you can provide income for your family and help educate your children at the same time. Here's how it works. Let's say you buy \$10,000 of life insurance. If you do not live, your family is guaranteed \$2,400 income every year until 1978, then a life income for your widow. Otherwise, when your children reach college age, this same policy can be adapted to help pay the college bills.

Country Music And Square Dances Offered As Summer Recreation

Folks who enjoy country and western dancing and singing are due to get a bait of it tonight and Saturday as a Grand Ole Opry star visits Belle Glade tonight and a "western style" square dance is planned for Saturday night at the municipal country club.

Porter Waggoner and some of his side-kicks will frolic at Belle Glade High School auditorium at 7:30 tonight under the sponsorship of Radio Station WSWN here.

Bob Wilson, Sullivan Pharmacy announced, that a square dance open to the public would be held at the municipal country club 8-11 p. m. The dance is sponsored by the Seminole Square Dance Club of Belle Glade, Wilson said.

In the singing department Porter Waggoner's group will offer singing and comedy for the evening. Well qualified for the task, Waggoner is a square dancer, a writer and a musician. He was born in West Plains, Mo. who was soon

fed by entertainer Red Foley for a time at Radio Station KWTX before joining the group in 1957.

Through records and personal appearances, Waggoner has proved to be a popular exponent of the country medium of music. Then for dancing, Wilson announced that for a donation of 25 cents, folks can dance or watch for nothing. Along with the dance, a sort of graduation will be held for the near-two dozen youngsters in a square dance class which the club spawned.

Preceding the dance a picnic for the youngsters will be held at 6:30 p. m. A caller from Jupiter, Herb Cassell, who leads some of the West Palm Beach clubs, will be on hand Saturday night.

Bob and wife, Lee, will attend the University of Florida's fourth annual short course for round, square and folk dancing July 2-5. Instigated by Bob about two months ago, the Seminole club hosts five couples who meet regularly to take part in a fast-growing recreational idea. Nationally, there are more than a million square dancers, Wilson said.

Elks Teen - Center

By Georgetown Mills
Hi There Elks Teens!
Last Thursday night at the Elks Teen-Center we had a real good time. There were... kids there. It is very considered of the Elks to give us this nice place to go on Thursday night for our teen-agers who are in the 7th grades up to the graduates, and the college kids. Lets show them our appreciation and give them a take care of this very nice place.

The chaperons were Mrs. Guy Wood and Mrs. George Goforth. We would like to say thanks to them now.

It was very good to see all the college kids home. Some of the ones here were Johnny Thorne, Dan Jones, B. B. Bradlock, and more. By the way, what happened to all the college kids? Lets see who you were there Thursday night.

There were several kids there from Moore Haven. Frances Sharrod and some of her friends. What has happened to her hair? Did you notice??? Pretty huh? The kids from out of town are always welcome at our teen center as long as they conduct themselves in an orderly manner and they have done a splendid job so far.

Petie Kirchman was with a real cute girl her name was Paula Argenson. Where did you ever find her Petie?? Eileen Lindrose's cousin Sandy from Miami is visiting her again this summer and they were at the teen-center. She is cuter than ever girls...

It was nice to see Billy Puckett, Fred Mook and Edward Humphries home for good. As well as Donna Jean Kirchman. Did anyone notice the cute pink dress Linda Goforth had on?

Glenn Bair had a real cute girl here also, she is from Pahokee. Where has he been hiding her? Some of the entertainment at the Teen-Center is card playing, pool, ping-pong and dancing. The songs on the juke box are very good. I know the songs "Do you Wanna Dance" and "Four Love" were popular. Wayne Roman can really cut a rug can't he?

Let's thank the Elks members and the chaperons who were there again for coming and we do appreciate it.

Well teens so long for this week and I will see you all at teen-center tonight.
